

APRIL 2026

# THE WOMEN'S CHRONICLE - RISE & LEAD

**Theme: Healthy Smiles  
for the Golden Age**

**Host Institution:**

M. A. Rangoonwala College of  
Dental Sciences & Research  
centre, Pune

## Healthy Aging Smiles

April 2026 spotlighted the Pune Chapter of Bharat Dental Show, centered on the theme "Healthy Smiles for the Golden Age." Hosted at M. A. Rangoonwala College of Dental Sciences & Research Centre, the event brought together esteemed dignitaries, experts, and dental professionals to advance awareness in geriatric dentistry.

Complemented by five insightful webinars, the in-person program fostered meaningful discussions on elderly patient care, academic collaboration, and continuous learning—reinforcing a shared commitment to improving oral health for the aging population.

# Bharat Dental Show 365

## The World's First Women-Driven Hybrid Dental Congress & Trade Ecosystem

Bharat Dental Show 365 is a groundbreaking initiative designed to redefine dental education and trade. It is a year-round hybrid congress model, combining online learning with localized offline events—making education more accessible, affordable, and environmentally responsible.

This platform is proudly led by women dentists and healthcare professionals, placing strong emphasis on:

Women leadership in dentistry | Ethical and scientific education | Work-life balance and mental wellbeing | Long-term career sustainability

By reducing unnecessary travel and minimizing large-scale, expensive exhibitions, Bharat Dental Show promotes a sustainable event ecosystem that benefits both professionals and the planet.

It challenges traditional trade show models by offering:

- Affordable participation
- Continuous (365-day) learning opportunities
- Ethical promotion of dental products and innovations

This is not just an event—it is a movement designed to build a resilient, inclusive, and future-ready dental community.

# Save the Tooth Initiative

## Preserving Nature. Restoring Smiles. Building Awareness.

The Save the Tooth Initiative promotes a powerful philosophy:

*The best dentistry is the one that preserves natural teeth.*

In today's fast-moving clinical environment, the focus often shifts toward replacement rather than preservation. This initiative brings dentistry back to its roots by promoting:

**Preventive care | Early diagnosis | Minimally invasive treatments | Patient education**

## Promoting Longevity in Dentistry (India)

### Restoring 1 Million Smiles with Awareness and Accessibility

As a core extension of the Save the Tooth mission, Promoting Longevity in Dentistry focuses on making oral healthcare accessible to every individual, regardless of background.

With a bold vision to restore 1 million smiles, this initiative works across India to:

- Provide affordable or free dental treatments
- Conduct dental awareness campaigns in regional and local languages
- Simplify oral health education for the general population

Through:

- Community dental camps
- Online awareness videos
- Grassroots engagement

The initiative encourages one simple yet powerful habit:

Visit a dentist every 6 months

By communicating in local languages and culturally relevant formats, it breaks barriers, builds trust, and ensures that oral health becomes a priority for every family.

Together, these efforts create a strong foundation for **preventive, ethical, and sustainable dentistry**, improving both individual health and community wellbeing.

# Dentist Channel Online (DCO)

## The Global Media, Branding and Marketing Engine of Dentistry

Dentist Channel Online is the digital backbone of this ecosystem, connecting over 120,000+ dental professionals worldwide.

DCO enables:

- Continuous dental education through webinars and digital content
- Ethical branding and promotion for dentists and dental companies
- Global visibility and professional networking
- Digital transformation of dental practices

With a presence across India, the Middle East, and Europe, USA, DCO ensures that knowledge, innovation, and opportunities reach the right audience.

It serves as the voice of modern dentistry, combining media, technology, and strategy to support long-term growth.

## How DentistChannel Online Powers Bharat Dental Show (BDS)

DentistChannel Online (DCO) is the driving force behind the growth, reach, and impact of the Bharat Dental Show (BDS)—creating a powerful digital ecosystem that connects, educates, and promotes dental professionals globally.

Unmatched Global Reach & Visibility

- 120,000+ Dental Professionals connected across social media platforms
- 30,000+ Registered Website Users actively engaged in the ecosystem
- 25,000+ Monthly Website Visitors, ensuring continuous exposure
- High-Quality Dental Audience—focused and verified dental professionals
- Strong Community & Communication Network
- 50+ Active WhatsApp Groups connecting dentists across regions
- A Dedicated Dentistchannel WhatsApp Channels for instant updates, promotions, and engagement
- Direct access to a highly responsive and niche dental community
- Education, Credibility & Continuous Growth
- 60,000+ CDE Certificates Issued to dental professionals globally
- Continuous webinars, academic sessions, and training programs
- Supporting all BDS events with structured education + certification pathways

# In-Person Events

21st April 2026 | M. A. Rangoonwala College of Dental Sciences & Research centre, Pune

The Pune Chapter of Bharat Dental Show commenced with a dignified inaugural ceremony at M. A. Rangoonwala College of Dental Sciences & Research Centre, Pune, in the esteemed presence of Chief Patrons Dr. P. A. Inamdar, Chancellor of Dr. P. A. Inamdar University, and Mrs. Abeda Inamdar, President of M.C.E. Society, along with Patron Dr. Ramandeep Dugal, Principal of the institution.

The inauguration was led by Organizing Chairperson Dr. Saloni Mehta Mistry, Organizing Secretary Dr. Manali Mehta, and Core Committee members Dr. Smita Athavale and Dr. Ketaki Pawar Chavan. The ceremony began with the traditional lamp lighting, signifying the spirit of knowledge, learning, and progress. This was followed by the welcome address, where the organizers outlined the vision of the Pune Chapter and its focus on advancing awareness and education in geriatric dentistry.

The dignitaries addressed the delegates and participants, emphasizing the importance of academic collaboration, continuous professional development, and strengthening dental care for the elderly population. The inauguration created an inspiring start to the scientific proceedings and set the tone for a successful and enriching academic event.

The scientific program featured eminent speakers and subject experts who delivered insightful lectures on various aspects of geriatric dentistry and elderly patient care.

# In-Person Events

21st April 2026 | M. A. Rangoonwala College of Dental Sciences & Research centre, Pune

**Dr. Smita Athavale**, Consultant Prosthodontist, Deenanath Mangeshkar Hospital & Research Centre, Pune, presented a session on Introduction to Geriatric Dentistry & Golden Rules for Dental Clinicians, introducing the core principles of geriatric dentistry and sharing practical guidelines for clinicians managing the oral healthcare needs of aging patients.

**Dr. Smita Musani**, Professor, Department of Prosthodontics, M. A. Rangoonwala College of Dental Sciences and Research Centre, Pune, delivered an engaging lecture on Prosthodontic Treatment for Geriatric Patients, highlighting specialized treatment planning and prosthodontic considerations essential for improving function and quality of life in elderly individuals.

**Dr. Ketaki Pawar Chavan**, Oral Surgeon, Entrepreneur, Mind Coach and Author, spoke on Neuropsychological Aspects of Geriatrics, offering valuable perspectives on the psychological and cognitive dimensions associated with geriatric care and their relevance in holistic dental treatment.

**Dr. Shefali Bhiwapurkar**, Senior Lecturer, Department of Prosthodontics and Geriatric Clinic Incharge, Dr. G. D. Pol Dental College and Hospital, Navi Mumbai, delivered an insightful session on Oral Health Social Wealth, emphasizing the strong relationship between oral health, confidence, social well-being, and overall quality of life among the elderly.

Each session was well received by the delegates, contributing to an enriching academic experience and meaningful discussions on advancing geriatric oral healthcare.

# QUICKDENT DENTAL IMPLANTS

## *"Grafting smiles with confidence"*

Quickdent's provides innovative and superior quality dental implants catering to the specific needs of patients. We are driven by our passion to improve the quality of life of our patients with missing teeth and make high-quality dental implants available to one and all.

Our vision is to create a sustainable range of dental implants with an innovative design customized for various types of conditions, by bridging the gap between the implant manufacturers and dental professionals.

## An inspiring 2 days at SDM Dental College, Dharwad!

Quickdent, in collaboration with Bharat Dental Show, successfully hosted the Immediate Loading & 360° Implant Rehabilitation Workshop – bringing together enthusiastic clinicians committed to advancing their implant practice.

From in-depth lectures and focused learning sessions to live demonstrations and hands-on training, the workshop delivered a complete clinical experience.

We were also honoured with a warm welcome and recognition from the college faculty and staff.

Grateful to all participants for making this workshop a great success!

## Complete Implant Solutions – Powered by Precision & Digital Innovation

Quickdent delivers a complete implant ecosystem—from the Implant surgical Kits for safe, precise placement to a full range of compatible prosthetic solutions. With Quickdent 3D, we empower clinicians with intuitive tools and training to master guided surgery and excel in digital implantology.
