

JULY 2026

THE WOMEN'S CHRONICLE – RISE & LEAD

**Theme : Learning the
Implant Synergy**

Host Institution:

**A.C.P.M. Dental College and
Hospital, Dhule**

In person scheduled in august 2026.

July At A Glance

Education Beyond Dentistry

July 2026 reflected Bharat Dental Show's commitment to advancing both professional excellence and community well-being. The month featured five expert-led webinars focused on implantology and clinical dentistry, alongside impactful community outreach initiatives, including the Smile for Life oral health awareness program for senior citizens and environmental sustainability efforts led by dental professionals. Together, these activities reinforced the vision of creating healthier smiles, empowered communities, and meaningful leadership beyond dentistry.

Bharat Dental Show 365

The World's First Women-Driven Hybrid Dental Congress & Trade Ecosystem

Bharat Dental Show 365 is a groundbreaking initiative designed to redefine dental education and trade. It is a year-round hybrid congress model, combining online learning with localized offline events—making education more accessible, affordable, and environmentally responsible.

This platform is proudly led by women dentists and healthcare professionals, placing strong emphasis on:

Women leadership in dentistry | Ethical and scientific education | Work-life balance and mental wellbeing | Long-term career sustainability

By reducing unnecessary travel and minimizing large-scale, expensive exhibitions, Bharat Dental Show promotes a sustainable event ecosystem that benefits both professionals and the planet.

It challenges traditional trade show models by offering:

- Affordable participation
- Continuous (365-day) learning opportunities
- Ethical promotion of dental products and innovations

This is not just an event—it is a movement designed to build a resilient, inclusive, and future-ready dental community.

Save the Tooth Initiative

Preserving Nature. Restoring Smiles. Building Awareness.

The Save the Tooth Initiative promotes a powerful philosophy:

The best dentistry is the one that preserves natural teeth.

In today's fast-moving clinical environment, the focus often shifts toward replacement rather than preservation. This initiative brings dentistry back to its roots by promoting:

Preventive care | Early diagnosis | Minimally invasive treatments | Patient education

Promoting Longevity in Dentistry (India)

Restoring 1 Million Smiles with Awareness and Accessibility

As a core extension of the Save the Tooth mission, Promoting Longevity in Dentistry focuses on making oral healthcare accessible to every individual, regardless of background.

With a bold vision to restore 1 million smiles, this initiative works across India to:

- Provide affordable or free dental treatments
- Conduct dental awareness campaigns in regional and local languages
- Simplify oral health education for the general population

Through:

- Community dental camps
- Online awareness videos
- Grassroots engagement

The initiative encourages one simple yet powerful habit:

Visit a dentist every 6 months

By communicating in local languages and culturally relevant formats, it breaks barriers, builds trust, and ensures that oral health becomes a priority for every family.

Together, these efforts create a strong foundation for **preventive, ethical, and sustainable dentistry**, improving both individual health and community wellbeing.

Dentist Channel Online (DCO)

The Global Media, Branding and Marketing Engine of Dentistry

Dentist Channel Online is the digital backbone of this ecosystem, connecting over 120,000+ dental professionals worldwide.

DCO enables:

- Continuous dental education through webinars and digital content
- Ethical branding and promotion for dentists and dental companies
- Global visibility and professional networking
- Digital transformation of dental practices

With a presence across India, the Middle East, and Europe, USA, DCO ensures that knowledge, innovation, and opportunities reach the right audience.

It serves as the voice of modern dentistry, combining media, technology, and strategy to support long-term growth.

How DentistChannel Online Powers Bharat Dental Show (BDS)

DentistChannel Online (DCO) is the driving force behind the growth, reach, and impact of the Bharat Dental Show (BDS)—creating a powerful digital ecosystem that connects, educates, and promotes dental professionals globally.

Unmatched Global Reach & Visibility

- 120,000+ Dental Professionals connected across social media platforms
- 30,000+ Registered Website Users actively engaged in the ecosystem
- 25,000+ Monthly Website Visitors, ensuring continuous exposure
- High-Quality Dental Audience—focused and verified dental professionals
- Strong Community & Communication Network
- 50+ Active WhatsApp Groups connecting dentists across regions
- A Dedicated Dentistchannel WhatsApp Channels for instant updates, promotions, and engagement
- Direct access to a highly responsive and niche dental community
- Education, Credibility & Continuous Growth
- 60,000+ CDE Certificates Issued to dental professionals globally
- Continuous webinars, academic sessions, and training programs
- Supporting all BDS events with structured education + certification pathways

Professor Emeritus at MGM Dental College, Navi Mumbai, with 50+ years in dentistry. Former Dean, researcher, author, and PhD guide. First woman President of IPS, national awardee, and a respected academic leader and speaker.

Dr. Vijailakshmi Acharya

Senior dental surgeon with 30+ years of experience in implantology and advanced dentistry. Founder of Acharya Dental and Acharya Foundation, Chennai, she is a global-trained clinician, educator, and mentor.

ORGANIZING CHAIRPERSON – Icon Of Influence

Dr. Saloni Mehta Mistry

Senior prosthodontist with 26+ years of academic and clinical experience. Professor and Head at Dr. G D Pol Dental College and Hospital, PG Institute, Navi Mumbai. PG guide, IPS leader, award-winning academician, patent holder, researcher, and national keynote speaker.

ORGANIZING SECRETARY – The Master Connector

Dr. Manali Mehta

Gold-medalist maxillofacial prosthodontist with 20+ years of clinical and academic experience. Consultant at Apollo Hospitals, she specializes in implantology, full-mouth rehabilitation, 3D-printed prostheses, and aesthetic dentistry.

CORE MEMBERS NAGPUR CHAPTER

Dr. Girija Arun Dodamani

Professor & Head Dept of Prosthodontics, ACPM Dental College, Dhule, M.H

Dr. Shalaka Chhajed

Associate Professor & Post-Graduate Guide, Dept. of Prosthodontics, A.C.P.M. Dental College, Dhule, M.H

In-Person Events

Bharat Dental Show – Dhule Chapter Highlights Implant Synergy at ACPM Dental College and Hospital

The Dhule Chapter of the Bharat Dental Show was held at ACPM Dental College and Hospital, Dhule, under the theme “Implant Synergy.” The programme brought together dental professionals, faculty members, postgraduate students, and clinicians for a scientific exchange focused on implant dentistry, prosthodontics, and maxillofacial rehabilitation.

The event was supported by the patrons of Jawahar Medical Foundation (JMF)—Shri Kunal Rohidas Patil, Chairman, JMF and Ex-MLA, Dhule Vidhan Sabha; Dr. Mamta Patil, Hon. Secretary, JMF; and Mrs. Sangeeta Patil, Joint Secretary and Trustee, JMF. Support was also extended by Chief Patrons Dr. Sabita Ram and Dr. Vijaylaxmi Acharya, along with Patron and Dean Dr. Arun Dodamani.

The programme was organized under the leadership of Dr. Saloni Mistry (Organizing Chairperson) and Dr. Manali Mehta (Organizing Secretary), with support from Core Committee members Dr. Girija Dodamani and Dr. Shalaka Chhajed. Educational sponsors for the event were Novolase and Quickdent.

Scientific Sessions

Dr. Saloni Mistry

Capturing Implant Impressions – Analogue to Digital Pathways

Dr. Saloni Mistry delivered an informative session on the evolution of implant impression techniques, outlining the transition from conventional analogue methods to contemporary digital workflows. She discussed the advantages, limitations, and clinical applications of both approaches, emphasizing their importance in achieving accurate implant-supported prosthetic outcomes.

Dr. Manali Mehta

Evaluating Paradigm in Maxillofacial Rehabilitation

Dr. Manali Mehta presented an overview of current concepts and emerging trends in maxillofacial rehabilitation. Her lecture highlighted the importance of comprehensive treatment planning, multidisciplinary collaboration, and patient-centred prosthetic care in restoring function, aesthetics, and quality of life.

Dr. Reena Yadav

Immediate Loading –Expanding the Limits of Full Mouth Rehabilitation

Dr. Reena Yadav delivered an insightful lecture on immediate loading protocols in full-mouth rehabilitation. She discussed key clinical considerations, treatment planning strategies, and recent advancements in implant dentistry that are enabling more predictable, efficient, and patient-friendly rehabilitation outcomes.

Hands-on Workshop

A major highlight of the programme was the hands-on workshop on **Zygomatic and Pterygoid Implants**, conducted by **Dr. Reena Yadav**. The workshop was designed to provide participants with practical training in advanced implant rehabilitation techniques used in cases with severe maxillary bone deficiency.

Participants were introduced to the principles, indications, treatment planning protocols, and surgical considerations associated with zygomatic and pterygoid implants. Through guided demonstrations and hands-on exercises, attendees gained valuable insights into implant positioning, angulation, prosthetic considerations, and management of complex clinical situations. The interactive nature of the workshop encouraged active learning and allowed participants to clarify clinical challenges directly with the expert faculty, enhancing their confidence in incorporating these advanced techniques into practice.

Conclusion

The Bharat Dental Show – Dhule Chapter provided an excellent platform for academic exchange, clinical learning, and professional networking. Through expert-led lectures and practical training sessions, the programme reinforced the importance of evidence-based implant dentistry, interdisciplinary collaboration, and continuous professional development. The event was well received by participants and contributed significantly to advancing knowledge and skills in contemporary implant and rehabilitative dentistry.

Community Outreach Initiative

Dr. Asha Chowdhery Leads a Greener Tomorrow June 2026 | Community Impact

Dr. Asha Lata Ganesh Chowdhery, a respected Oral Medicine and Radiology specialist and an active member of the Bharat Dental Show community, led an inspiring community outreach initiative focused on environmental sustainability and public engagement. The initiative encouraged collective action towards creating greener and healthier communities by bringing together volunteers, healthcare professionals, and local citizens.

With a strong belief that healthcare professionals have a responsibility beyond clinical practice, Dr. Chowdhery highlighted the importance of environmental stewardship alongside oral health promotion. The campaign demonstrated how small, meaningful actions can contribute to long-term community well-being and inspire future generations of healthcare leaders.

Key Highlights

- Community-driven environmental awareness initiative.
- Active participation from healthcare professionals and volunteers.
- Promotion of sustainability, social responsibility, and public health.
- Reinforces Bharat Dental Show's commitment to leadership beyond dentistry

Message from Bharat Dental Show

At Bharat Dental Show, we celebrate leaders who create a positive impact both inside and outside the clinic. Dr. Asha Chowdhery's initiative reflects our shared vision of empowering dental professionals to become catalysts for healthier communities and a more sustainable future. Her efforts remind us that true leadership extends beyond dentistry and contributes meaningfully to society.

"Every tree planted today is an investment in the health of tomorrow. Together, we can build healthier smiles and a healthier planet."

– Dr. Asha Chowdhery

Community Outreach Initiative

The event witnessed enthusiastic participation from residents and caregivers of Parijatha Care Centre, creating an interactive environment where attendees could openly discuss oral health concerns and receive expert guidance. The initiative emphasized that healthy ageing begins with a healthy mouth and encouraged preventive care as the foundation of overall wellbeing.

A Step Towards Healthier Communities

empowering senior citizens with practical oral health knowledge, the program reinforces the organization's commitment to creating healthier smiles and healthier lives through education, awareness, and compassionate community outreach.

"Healthy ageing begins with a healthy smile. Through education, prevention, and community engagement, every smile can enjoy a healthier future."

Smile For Life

Bharat Dental Show Launches Community Outreach Program to Promote Healthy Ageing Through Oral Health

Date: 23 July 2026 | Venue: Parijatha Care Centre, CBD Belapur, Navi Mumbai
As part of its commitment to community service and preventive healthcare, Bharat Dental Show launched "Smile For Life – Healthy Mouth. Healthy Body. Happy Ageing.", a special outreach initiative dedicated to improving oral health awareness among senior citizens. The program was successfully conducted on Thursday, 23 July 2026, at Parijatha Care Centre, CBD Belapur, Navi Mumbai, bringing dental education beyond the clinic and directly into the community.

The awareness session was led by Dr. Shefali Bhiwapur, a renowned Prosthodontist and Geriatric Dentist, who delivered an engaging presentation on the importance of maintaining oral health as an integral part of healthy ageing. Through practical demonstrations and interactive discussions, participants learned about daily oral hygiene practices, denture maintenance, nutrition, early detection of oral diseases, and the relationship between oral health and systemic conditions such as diabetes and cardiovascular disease.
