Wellness Inspires Leadership

June 2026 marked the successful inauguration of the Bharat Dental Show Women's League – Nagpur Chapter at Ranjeet Deshmukh Dental College and Research Centre under the theme "Destress Your Stress." The month featured four impactful webinars and a flagship in-person event focused on mental wellness, resilience, nutrition, work-life balance, and women's safety. By bringing together healthcare experts, academicians, and dental professionals, Bharat Dental Show reinforced its commitment to promoting professional excellence, leadership, and holistic well-being within the dental community.

Bharat Dental Show 365

The World's First Women-Driven Hybrid Dental Congress & Trade Ecosystem

Bharat Dental Show 365 is a groundbreaking initiative designed to redefine dental education and trade. It is a year-round hybrid congress model, combining online learning with localized offline events—making education more accessible, affordable, and environmentally responsible.

This platform is proudly led by women dentists and healthcare professionals, placing strong emphasis on:

Women leadership in dentistry | Ethical and scientific education | Work-life balance and mental wellbeing | Long-term career sustainability

By reducing unnecessary travel and minimizing large-scale, expensive exhibitions, Bharat Dental Show promotes a sustainable event ecosystem that benefits both professionals and the planet.

It challenges traditional trade show models by offering:

- Affordable participation
- Continuous (365-day) learning opportunities
- Ethical promotion of dental products and innovations

This is not just an event—it is a movement designed to build a resilient, inclusive, and future-ready dental community.

Save the Tooth Initiative

Preserving Nature. Restoring Smiles. Building Awareness.

The Save the Tooth Initiative promotes a powerful philosophy:

The best dentistry is the one that preserves natural teeth.

In today's fast-moving clinical environment, the focus often shifts toward replacement rather than preservation. This initiative brings dentistry back to its roots by promoting:

Preventive care | Early diagnosis | Minimally invasive treatments | Patient education

Promoting Longevity in Dentistry (India)

Restoring 1 Million Smiles with Awareness and Accessibility

As a core extension of the Save the Tooth mission, Promoting Longevity in Dentistry focuses on making oral healthcare accessible to every individual, regardless of background.

With a bold vision to restore 1 million smiles, this initiative works across India to:

- Provide affordable or free dental treatments
- Conduct dental awareness campaigns in regional and local languages
- Simplify oral health education for the general population

Through:

- Community dental camps
- Online awareness videos
- Grassroots engagement

The initiative encourages one simple yet powerful habit:

Visit a dentist every 6 months

By communicating in local languages and culturally relevant formats, it breaks barriers, builds trust, and ensures that oral health becomes a priority for every family.

Together, these efforts create a strong foundation for **preventive, ethical, and sustainable dentistry**, improving both individual health and community wellbeing.

Dentist Channel Online (DCO)

The Global Media, Branding and Marketing Engine of Dentistry

Dentist Channel Online is the digital backbone of this ecosystem, connecting over 120,000+ dental professionals worldwide.

DCO enables:

- Continuous dental education through webinars and digital content
- Ethical branding and promotion for dentists and dental companies
- Global visibility and professional networking
- Digital transformation of dental practices

With a presence across India, the Middle East, and Europe, USA, DCO ensures that knowledge, innovation, and opportunities reach the right audience.

It serves as the voice of modern dentistry, combining media, technology, and strategy to support long-term growth.

How DentistChannel Online Powers Bharat Dental Show (BDS)

DentistChannel Online (DCO) is the driving force behind the growth, reach, and impact of the Bharat Dental Show (BDS)—creating a powerful digital ecosystem that connects, educates, and promotes dental professionals globally.

Unmatched Global Reach & Visibility

- 120,000+ Dental Professionals connected across social media platforms
- 30,000+ Registered Website Users actively engaged in the ecosystem
- 25,000+ Monthly Website Visitors, ensuring continuous exposure
- High-Quality Dental Audience—focused and verified dental professionals
- Strong Community & Communication Network
- 50+ Active WhatsApp Groups connecting dentists across regions
- A Dedicated Dentistchannel WhatsApp Channels for instant updates, promotions, and engagement
- Direct access to a highly responsive and niche dental community
- Education, Credibility & Continuous Growth
- 60,000+ CDE Certificates Issued to dental professionals globally
- Continuous webinars, academic sessions, and training programs
- Supporting all BDS events with structured education + certification pathways

Bharat Dental Show Women's League Inaugurates Nagpur Chapter

The Bharat Dental Show Women's League successfully inaugurated its Nagpur Chapter on 9 June 2026 at Ranjeet Deshmukh Dental College and Research Centre (RDDC & RC), Nagpur, marking another milestone in empowering women in dentistry through education, leadership, and holistic well-being.

The program was organized under the leadership of Dr. Saloni Mehta Mistry (Organizing Chairperson) and Dr. Manali Mehta (Organizing Secretary). The event was graced by Dr. Abhay Kolte, Dean of RDDC & RC, Nagpur, as the Chief Guest. The gathering brought together dental professionals, academicians, healthcare experts, and students for a day dedicated to professional development and personal wellness.

Scientific & Awareness Sessions

Music Therapy: Ultimate Way Out to Distress

Speaker: Dr. Neelam Pande, Head, Department of Prosthodontics, RDDC & RC, Nagpur

The session focused on the role of music therapy in stress reduction, emotional well-being, and improving mental health among healthcare professionals.

Movement as Medicine – Reclaiming Calm in the Chaos of Midlife

Speaker: Dr. Maneesha Deshpande, Principal & Professor, VSPM's College of Physiotherapy, Nagpur, and Consultant Physiotherapist

The lecture highlighted the importance of regular physical activity, healthy lifestyle habits, and movement-based interventions in maintaining physical and emotional wellness, particularly during midlife.

Women's Safety Demonstration

A practical self-defense and women's safety session was conducted by a **Sub-Inspector and Head Constable from MIDC Police Station, Hingna**. The demonstration covered personal safety techniques, awareness, and emergency response strategies, with enthusiastic participation from faculty, non-teaching staff, and attendees.

Conclusion

The inauguration of the Nagpur Chapter reflects the Bharat Dental Show Women's League's continued commitment to advancing professional excellence, leadership, and overall well-being among women in dentistry. As the world's first women-driven, 365-day hybrid dental congress and trade platform, Bharat Dental Show continues to expand its national presence by creating meaningful opportunities for education, collaboration, and empowerment.
